

# Southeast Center for Mathematics and Biology

# Annual Symposium

February 17-18, 2020

Marcus Nanotechnology Building  
Georgia Institute of Technology

## Speakers

**Guo-Wei Wei**  
Michigan State University

**Amina Qutub**  
University of Texas at San Antonio

**Kristen Naegle**  
University of Virginia

**Konstantin Mischaikow**  
Rutgers University

**Alexander Anderson**  
Moffitt Cancer Center

**Amy Shaub Maddox**  
UNC Chapel Hill

**Caroline Uhler**  
Massachusetts Institute of Technology

Join us in exploring the math-bio interface!
